EVERY DREAM BEGINS

Gather your nearest and dearest, sip champagne and soak up the excitement as your day begins in the most decadent of settings.

Whether you choose the casual elegance of the Park Room or one of our boutique bedrooms, you and your wedding party can get ready in style and comfort with ease.

The choice on where to host your ceremony and reception is then yours. **Every** space is licensed, including the Garden, which means your choice is endless. Georgian grandeur meets Edwardian elegance; magnificent sweeping staircases, gold leaf intricate detail, ornate mirrors, inspired portraits, opulent chandeliers, and extravagant marble fireplaces, create a wedding venue in the heart of the capital like no other.

Inspired by the quintessential English Garden, a serene, tranquil oasis in London, licenced for ceremonies and perfect for receptions or relaxed summer BBQ's. Fragrant colourful beds, a kept lawn, mature woodland trees, a picturesque rose arch, and trickling water flows create the most idyllic wedding photo backdrop.

The Garden forms a secluded sanctuary with panoramic views, the various spaces within provide versatile settings for both intimate and lavish wedding celebrations overlooking The Royal Green Park.
